Orientation

All new undergraduate degree seeking students, including new freshmen and transfer students, are required to attend a new student orientation (on campus or virtual). Registration occurs at orientation. Unclassified students are not required to attend an orientation.

New graduate students are not required to attend an orientation unless otherwise instructed to do so by the program in which they plan to enroll. Contact the [Graduate School](#) at 719-255-3417 or gradinfo@uccs.edu for additional information.

Students on F-1 visas need to check with their international advisors for orientation requirements.

Course Registration

Invitation to Register

An "Invitation to Register" will be emailed to you before your assigned online registration appointment day/time. Once you receive your "invitation," log into your [myUCCS Portal](#), and select 'Register for Classes (add/drop)' in your Student Center. Check the following:

- Check the address on your Invitation to Register: If it is incorrect, please update it through your Student Center under 'Profile'.

- Make sure you have no financial, academic, or other holds that will prevent your registration (Tasks – Holds in your Student Center).
- Check your assigned enrollment appointment. You may register at or after your assigned time but no later than January 22, 2024, without permission for full semester length classes.

Adding Courses

The deadline to add a full semester length course through [myUCCS Portal](#) without permission is January 22. Courses may be added with instructor permission (permission number or add form) through census day, January 31. After this date courses must be added in person at the Office of the Registrar with approval signatures from the instructor, dean, and Student Financial Services. All courses added after the respective course census date will be subject to standard billing processes and associated adjustments. If a student doesn't register for their first full-semester class(es) until after Census Date, a \$50 late registration fee is assessed.

For videos and instructions on course registration, visit: <https://registrar.uccs.edu/register>.

Students must complete the pre-registration tasks of confirming or updating all addresses, emergency contact, and agree to your financial responsibility, before you will be able to register.

Courses will remain in the *Enrollment Shopping Cart* until you complete the enrollment process. Placing courses in the shopping cart does not hold a spot for you.

Select Course => Put Course in Shopping Cart => Move Course from Shopping Cart into Schedule

You are NOT fully enrolled in courses until courses are moved from your Shopping Cart and posted to your class schedule.

Understanding Waitlists

Closed courses may have waitlists. If you try to register for a closed class which has a waitlist, you will need to select the "Class Details" link and check the "Waitlist" box. The message, "Waitlist if class is full," will display. As openings occur in a waitlisted course, you will automatically be registered in the course. You will receive an email at your uccs.edu email address if you have been enrolled in the class from the waitlist.

Note: The portal will allow students to waitlist for more than one closed section of the same class. If a student is added from one section's waitlist, then they will be automatically dropped from the other section's waitlist. In addition, the system will allow students to fully register for an open section of a course and waitlist for a closed section of that same course. To do this, a student must enroll in the open section first before placing themselves on the closed section's waitlist. If a student is waitlisted for a closed section and then registers for an open section after, they will automatically be dropped off the closed section's waitlist.

Important If a student is fully enrolled in an open section of a course and waitlisted for a closed section of that same course, the student will be dropped from the open section if they are added off the waitlist for the closed section (unless that specific class is repeatable for credit). Students on a waitlist are automatically enrolled into a course if a seat becomes available or enrollment limits are increased.

It is your responsibility to check your waitlist position and enrollment status in [myUCCS Portal](#).

Note: Waitlisted courses WILL appear in Canvas. If you have waitlisted courses, check your enrollment status in [myUCCS Portal](#) frequently.

You will be financially responsible for the courses that change from waitlist to registered status.

Waitlists are deleted after the last day to add online has passed. If you are still on a waitlist when the purge occurs, you will be dropped from the waitlist. For full semester length classes, waitlists will be deleted on January 23.

After waitlists are purged you may still add courses with instructor written permission (course add form or permission number) through January 31, after which you will also need the signature of the dean and Student Financial Services.

Time Conflicts, Credit Overloads, and Requisites

The registration system will not permit you to register for time conflicts, credit overloads, or courses with special restrictions. Undergraduates must contact the Academic Advising office for overloads. Graduate students must contact their program Graduate Coordinator for overloads. Time conflicts require an add course form signed by the instructor of the course to be added and the instructor of the conflicting course. Permission numbers can be utilized for restrictions/requisites until census date.

Registering in a course without meeting a course requisite is subject to disenrollment from that course.

Credit Changes

To change credit for variable credit courses you are registered in, complete a Credit Change form at the Office of the Registrar. Deadlines and rules for changing are the same as for Drop/Add. Students may also use the course 'Edit' feature in their [myUCCS Portal](#) to edit (increase or decrease) the amount of credits they wish to take for a variable credit course. This functionality is not available after January 31 for full semester length courses.

Exceptions:

After January 31, Credit Change forms require the instructor, dean, and Student Financial Services approvals prior to submission to the Office of the Registrar.

If you are receiving Veterans' benefits, you must obtain an applicable approval signature.

Short Course Information

Courses that meet less than 16 weeks during the fall and spring semesters or 8 weeks during the summer have special refund deadlines. The deadlines for dropping short courses without financial penalty are based upon the length of the course. If you have questions, please contact the Office of the Registrar registrar@uccs.edu or 719-255-3361.

To find course deadlines, log into your [myUCCS Portal](#), locate your classes under "Academics" and click on the "Deadlines" icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on "My Class Schedule" for each course.

[Dropping a Course](#)

The deadline to drop a full semester course, receive a refund, and avoid a 'W' grade is Census Date, January 31. Anything after this date is a course withdrawal.

[Withdrawing](#)

The deadline to withdraw from a full semester course in myUCCS portal without obtaining instructor and dean permissions is April 5. After this date, signatures from the instructor and dean on an [Add/Drop Form](#) are required. Approval to withdraw from a course after this deadline is not guaranteed.

IMPORTANT

NO REFUND for full semester courses dropped after January 31.

If you are withdrawing ALL your courses, the University considers this to be COMPLETE SEMESTER withdrawal. Any student completely withdrawing for the semester after April 5 must complete a [Complete Semester Withdrawal Request Form](#) through the Dean of Students Office.

Financial Aid or Veteran benefit recipients are strongly encouraged to verify the impact of the requested course change(s) on their eligibility and funding.

To find specific course deadlines, log into your [myUCCS Portal](#), locate your classes under "academics" and click on the "deadlines" icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on "My Class Schedule" for each course. [SHORT COURSES](#) (those that do not meet for the entire semester such as "intersession" and "intensive" courses) have special academic and financial deadlines. Click "Deadlines" by your classes in the Student Self Service Center to see these deadlines.

Pass/Fail Enrollment

Pass/Fail regulations vary according to the school or college offering the course and the student's college. Undergraduate students should check with the [Academic Advising](#) office for the limits that may exist for taking courses in a given semester and/or the maximum which may count toward graduation.

To enroll Pass/Fail, enroll in the course following normal enrollment procedures. Once you are enrolled, complete a [Pass/Fail Registration](#) form with the Office of the Registrar. The deadline for pass/fail registrations is January 31. After January 31, all pass/fail requests will be routed to the dean for approval.

Graduate Students should refer to the [Graduate School Policies and Procedures](#) regarding pass/fail grading.

No-Credit Enrollment

Students wishing to enroll for no credit grading must pay regular tuition. To register for no credit, the student should complete a Credit Change form at the Office of the Registrar. Deadlines and rules for changing are the same as for Add/Drop.

Exceptions:

Courses in the College of Business cannot be taken for no credit. Graduate Students should refer to the [Graduate School Policies and Procedures](#) regarding no-credit enrollment.

Intercampus Enrollment

A student may enroll for not more than 2 courses or 6 semester hours in the fall and spring (whichever is greater) or 3 hours in the summer at another CU campus with the approval of the academic dean. Tuition and fees will be assessed at the student's *home campus* rate. Students must be enrolled at the *home campus* and classified as degree students. Intercampus registrations will only be approved for courses that are required for graduation and are not available at the *home campus*.

[Intercampus Enrollment Forms](#) are available online or in the Office of the Registrar. Course enrollment deadlines follow those at the *host campus*.

Unless using Intercampus Enrollment, students who register at more than one campus of the University must apply, be admitted and pay tuition and fees to each campus for the number of credits carried at each campus.

Class Schedule Changes

Changes to the class schedule (additions, cancellations, day/time changes, room changes, and instruction mode changes) are updated throughout the registration period. Check your class schedule periodically for changes.

Grade Forgiveness

UCCS allows Grade Forgiveness for undergraduate degree seeking students beginning with the spring 2022 semester. Grade Forgiveness can only apply to courses you have taken in the fall 2021 semester and forward. No courses prior to fall 2021 can be forgiven. Student and course eligibility, considerations, request form and other important information is available online on the [Grade Forgiveness](#) page.

Enrollment Status

The definitions for full-time/part-time enrollment are as follows:

- A full-time undergraduate degree student is one who is enrolled for at least 12 credit hours each semester. Undergraduate degree students are considered part-time when they are enrolled for fewer than 12 hours. These criteria also apply for unclassified students without a degree.
- A full-time graduate student is one who is enrolled for 5 semester hours of graduate level course work, or at least 8 semester hours in a combination of graduate and undergraduate course work acceptable for graduate credit, or any number of thesis/dissertation hours.
- Unclassified students with a degree-seeking student loan deferment must be enrolled for 12 semester hours to be considered full-time.

Financial Responsibility

By registering for classes at UCCS, each student is taking on a financial obligation, as stated in the Tuition and Fee Agreement and Disclosure, and as explained here in the Registration Handbook. Please read the Dropping a Course and Tuition & Fees sections carefully so that there are no surprises. If a student fails to pay by published deadlines, any or all of the following may apply:

1. Late fees
2. Monthly service charges
3. Financial Stops preventing registration, add/drop, re-admittance or the release of transcripts, and diplomas.
4. Referral to the State of Colorado Central Collection Services or an outside collection

agency, which will result in:

- a. collection costs, interest, and/or attorney fees
- b. garnishment (when a judgement is pursued)
- c. reporting to national credit bureaus
- d. withholding of state income tax refund

If your account is not paid by the published deadline, the debt becomes past due.

REMEMBER: All charges associated with a past due balance and the past due balance must be paid-in-full before students will be allowed to register or receive transcripts, regardless of if the student arranged a payment plan.
