Significant Changes

Change to the 'Last Day to Enroll without Approval' Deadline

- Effective Spring 2026, the 'Last Day to Enroll or Waitlist without Instructor Approval' is now changed to 'Last Day to Waitlist'. Students can now enroll through census date without any approval in courses that have seats available (open). Waitlists will continue to be deleted the day after the 'Last Day to Waitlist' deadline. After this date, June 18 for full semester length main campus courses, students will need instructor approval to enroll in courses that are *closed (at capacity) only*. After census date, June 23 for full semester length main campus courses, all course adds will continue to require instructor, academic dean, & Bursar approval. This change is applicable to courses in all sessions.
- It is important for instructors to verify their class roster in CU-SIS prior to the 'Last Day to Waitlist'. This will help clarify students that are fully enrolled in the class versus students who are waitlisted only. Waitlisted students will display in Canvas. Even though students may be on the Canvas class roster, it does not mean that they are fully enrolled in the course. Once waitlists are deleted the morning of June 19, students will no longer display in Canvas.
- Instructors who wish to accommodate students from a waitlist over the published enrollment capacity must submit a [Waitlist Roll-In Request Form](#) through the Office of the Registrar. This form can be submitted through the 'Last Day to Waitlist', June 19. See the '[Understanding Waitlists](#)' section below for more information.

Portal Fluid Update

- In fall 2025, the myUCCS portal underwent an upgrade for easier navigation. The Campus Solutions student self-service upgrade will enable students to move from the Student Center in their portal to browser pages on desktops, smart phones and tablets. In addition to the changes to the Student Center, new navigation menus and other changes will improve student self-service pages including: student records, registration, financial aid, student financials, the graduation application, etc.

Grade Rosters in 'Approved' Status

- To meet grading deadlines, please ensure that all grade rosters have been 'Approved' *and* 'Posted' by the grading deadline of 11:00pm (MST) on Tuesday, August 11. Effective fall 2025 - once grade rosters are created, any left in 'Approved' status will be administratively 'Posted' by the Office of the Registrar.

Family Educational Rights and Privacy Act (FERPA)

The University of Colorado complies with the provisions of [FERPA](#). The act was designed to protect the privacy of educational records. Please consider taking a [Percipio](#) course in your portal (CU: FERPA for Faculty or CU: FERPA for CU-SIS Access) to best acquaint yourself with the law. Additional information about FERPA can be found under Student Rights and Responsibilities in the online [Academic Catalog](#) and on our [Faculty/Staff Policies and Updates webpage](#).

Practices, such as posting grades to office doors or on the web, leaving exams or papers where others can access such records, and sending emails to multiple students at once with student numbers or personal information included are a violation of student privacy rights. **Best practice: If any person other than the specific student or university staff will ever see a document, do not include personal identifiable information on the document including student ID numbers.**

FERPA Full Privacy Students: Students may also ask the university not to publicly disclose directory information. Students can choose full privacy or limited privacy. Full privacy students are identified in CU-SIS with a **PRIVATE** flag on student data screens and on class/grade/advisee rosters. If information is requested by third parties for students who have the **PRIVATE** flag, no information can be given. The proper response is: **"Due to data privacy policies, we are unable to respond to your request."**

- **Exception:** UCCS email is the official means of communication (UCCS Policy 700-001). You may conduct university business with **PRIVATE** students through their UCCS email account.
 - Full privacy students may choose to have a security passphrase on their account to be able to be identified over the phone. This can be located in CU-SIS by clicking the **PRIVATE** flag on a student data screen then selecting 'CU Security Passphrase'. If unsure, always direct the student to the Office of the Registrar.

- **Full Privacy Students in the Classroom:** Students with full privacy do not have the right to anonymity in the classroom (in person or online) as it only protects them from having information released to outside third parties. As such, instructors may continue to refer to students by name in the classroom or in an online forum.

If you have questions about FERPA, please contact the Office of the Registrar. [FERPA Guidelines for Faculty and Staff](#) can be found on our [Faculty/Staff Policies and Updates webpage](#).

Confirming Student Enrollment

Students must be officially enrolled in a course to attend. Students are **not** permitted to sit in a course to make up an incomplete grade from a prior semester or to audit without officially registering and paying for the course. Students who approach you about attending your course to make up an incomplete grade should be referred to the Office of the Registrar.

Everyone attending a class must be registered and listed on the CU-SIS class roster. 'Audit' or 'Listening-In' students must have instructor approval *and* be officially registered for the course through the [Extended Studies Academic Outreach Office](#). Instructors will be notified of these students who will appear on a course's separate CU-SIS noncredit class roster.

Faculty can log into their myUCCS portal to view their class roster(s). If you are unsure if a person is registered in your class, department administrative assistants or the Office of the Registrar staff can help determine accurate registration.

Please notify the Office of the Registrar of any individuals who are attending your course but are not listed on your class roster.

Enrolling in Courses

Students must be admitted to the university, eligible to enroll with no enrollment barriers or holds, and complete pre-registration tasks (updating addresses, phone numbers, and emergency contacts) *each* semester prior to registering for courses. If you are unsure about a student's eligibility to enroll for a semester, please contact the [Office of the Registrar](#).

Important: Although most courses scheduled are *full semester length courses (Main Campus Session)*, students have the option to register for courses in different sessions: Session A, Session B, Pre-term, and Intensive. If students enroll in different sessions then academic, enrollment, and financial deadlines will differ.

Short Courses: Pre-term (CPT) and Intensive (CDD) courses, also known as short courses, have varying enrollment and financial deadlines that are determined by the number of days/weeks the course meets. Please visit our [Short Course Deadlines webpage](#).

Adding Courses through the Last Day to Waitlist: For courses that are *closed (at capacity)*, students can waitlist in the myUCCS portal until **11:50 pm on June 18** (full semester length courses). If students have any other enrollment barriers (e.g., time conflicts, holds, etc.) then special approvals may be required to get on a waitlist. Permission numbers can be utilized for students to get waitlisted for closed courses or enrolled in open course (see below).

Adding Closed Courses after Last Day to Waitlist: Waitlists are no longer available after **June 18** (full semester length courses). To add a full semester length course that is *closed (at capacity)* after **June 18 through June 23 (census date)**, students must be manually enrolled by submitting a completed [Add Course Form](#) with the instructor's signature to the Office of the Registrar. *Students can continue to enroll on their own in the myUCCS portal for courses that have seats available (open). No approvals are needed for these courses until census date.*

Adding Courses after Census Date: After census date (June 23), approvals from the instructor, academic dean, and Bursar's Office are required to add any full semester length course. Students must submit a completed and signed [Add Course Form](#) to the Office of the Registrar (Main Hall 108 or registrar@uccs.edu) for processing. Students will only be added if no other enrollment barriers are present on their student account.

Permissions Numbers: Permission numbers can be used for various student add/drop issues that result in error messages in the myUCCS Portal. These include pre/co-requisites issues, courses requiring instructor/department consent, or courses with specific career/program/classification requirements. Permission numbers can be used for students to get waitlisted for closed courses

through the Last Day to Waitlist. Permission numbers can be used for students to get enrolled in open courses through census date. Please visit our [Issuing Permission Numbers](#) guide for more information on permission number.

Understanding Waitlists

The only way for students to enroll in a course that is closed (at capacity) is by placing themselves on the waitlist. Waitlists are available through **11:50 pm on June 18** for full semester length courses.

Canvas and Waitlisted Students: Waitlisted students will display in Canvas. Please note that even though students may be on the Canvas class roster, it does not mean that they are fully enrolled in the course. Once waitlists are deleted the morning of **June 19**, students will no longer display in Canvas.

Waitlisting for Multiple Sections: The system **will** allow students to waitlist for more than one closed section of the same class. If a student is added from one section's waitlist, then they will be automatically dropped from the other section's waitlist. In addition, the system will allow students to fully register for an open section of a course and waitlist for another closed section of that same course. To do this, a student **must** enroll in the open section first before placing themselves on the waitlist for the closed section. If a student is currently waitlisted for a closed section and then registers for an open section after, the student will automatically be dropped off the waitlist for the closed section at the time of registration.

Important: If a student is fully enrolled in an open section of a course and waitlisted for a closed section of that same course, the student will be dropped from the open section if they are added off the waitlist for the closed section (unless that specific class is repeatable for credit). Students on the waitlist are automatically enrolled in a closed course if a seat becomes available, enrollment limits are increased, or an approved [Waitlist Roll-In Request Form](#) is submitted to the Office of the Registrar to allow students over the published enrollment capacity. Contact your department chairs for any enrollment capacity increases. See below for allowing students over the published enrollment capacity.

Waitlist Roll-Ins: For full semester length courses, students can get onto a waitlist until **11:50pm (MST) on June 18**. Instructors may accommodate these waitlisted students over the course's published enrollment capacity until the morning of **June 18** by requesting students to be manually rolled into the course by the Office of the Registrar. This can be requested by submitting a [Waitlist Roll-In Request Form](#) found at the bottom of our [Faculty/Staff Forms and Access webpage](#). In-person courses cannot go over the established fire capacity for the classroom. Please contact registrar@uccs.edu for any questions about waitlist requests.

Waitlist Deleted: Full semester length course waitlists will be deleted the morning of **June 19**. After waitlists are deleted, students may enroll in a closed course by using a permission number issued from the academic department or advisor, or by using an [Add Course Form](#) with instructor signature through census date. Please see the following '[Enrolling in Courses](#)' section for more information.

Short Course Waitlists: For Pre-term (CPT) and Intensive (CDD) courses, also known as short courses, waitlists will be deleted the following business day after the course’s last day

Dropping and Withdrawing

Important: Although most courses scheduled are *full semester length courses (Main Campus Session)*, students have the option to register for courses in different sessions. By doing so, academic, enrollment, and financial deadlines can differ. *Students should always drop/withdraw from specific courses on their own in their myUCCS portal prior to deadlines.* Students can see the deadlines in their myUCCS Portal by clicking on the enrollment deadlines link within their class schedule. Visit our [Drop and Withdrawal Policies and Procedures webpage](#) for more details.

Short Courses: Pre-term (CPT) and Intensive (CDD/CED) courses, also known as short courses, have varying enrollment and financial deadlines that are determined by the number of days/weeks the course meets. There is no refund for courses withdrawn from after the course census date and a ‘W’ notation will be assigned. Please visit our [Short Course Deadlines webpage](#).

Dropping Courses before Census Date: Students can drop full semester length courses via the myUCCS portal until **11:50pm on June 23** and receive a full refund and avoid receiving any grade for the course(s). Students are not permitted to attend or participate in the course after dropping. Any course being dropped *after* census date is considered a course withdrawal.

Partial Withdrawals before Last Day to Withdraw: Students may withdraw from full semester length courses *without* approval via the myUCCS portal after census date through **11:50pm on July 16**. These withdrawals are nonrefundable, and a notation of ‘W’ will be assigned.

Partial Withdrawals after Last Day to Withdraw: Students requesting to withdraw late from a full semester length course while remaining enrolled in at least one course must obtain instructor and academic dean approvals *after July 16*. Students must submit a [Late Withdrawal Form](#) for the course(s) they are requesting to withdraw late from. This online form routes to specific individuals for decisions based on college/department procedures. These types of requests are not guaranteed and are only granted to students who have extenuating circumstances. If approved, course withdrawals after this date are assigned an official notation of ‘W’ with no refund given.

Withdrawing from All Courses: If a student is requesting to **withdraw from all courses**, they are completely withdrawing for the semester. See ‘Complete Semester Withdrawals’ section below.

Withdrawal Deadlines by Session		
Session	Census Date	Last Day to Withdraw without Approval
Full Semester Length Courses: Main Campus Semester (C/CEC)	Tuesday, June 23rd	Thursday, July 16th
First 4 weeks: Session A (CMA/CE1)	Friday, June 19th	Tuesday, June 30th
Second 4 weeks: Session B (CMB/CE2)	Friday, July 17th	Tuesday, July 28th
Short Courses: Pre-term (CPT) & Intensive (CDD/CED)	See Short Course Deadlines	See Short Course Deadlines

Complete Semester Withdrawals

Dropping All Courses before Census Date: Students may cancel their enrollment by dropping all courses (zero credit hours remaining) in the myUCCS portal by 11:50pm (MST) on the course’s census date(s) and receive a full refund and avoid receiving any grades. After census date a student withdrawing from all courses (zero credit hours remaining), is completely withdrawing for the semester.

Complete Withdrawals before Last Day to Withdraw: Students may withdraw from all courses in the myUCCS portal after census date through **July 16**. No approval is needed until *after July 16*. These courses are nonrefundable, and a notation of 'W' will be assigned automatically.

Complete Withdrawals after Last Day to Withdraw: Students requesting to withdraw from all courses after **July 16**, must submit a [Complete Semester Withdrawal Request Form](#) through the Office of the Dean of Students. Information is available on the [Office of the Dean of Students webpage](#). These types of requests are not guaranteed and are only granted to students who have extenuating circumstances. If approved, courses are assigned an official notation of 'W', and no refund will be given.

Important: The **July 16** withdrawal deadline applies to full semester length courses. Although most courses scheduled are full semester length courses, students have the option to register for courses in different sessions. By doing so, academic, enrollment, financial, and withdrawal deadlines can differ. *Students should always drop/withdrawal from specific courses in their myUCCS portal prior to deadlines, when possible.* Students can see specific course deadlines in the myUCCS portal by clicking on the calendar icon within their class schedule. Instructions for students can be located on our [Student Resources webpage](#) under '[Locating Drop Deadlines in myUCCS Portal](#)'.

Complete Semester Withdrawals are determined by the date the last class has been withdrawn; or the date the completed request form is processed by the Office of the Dean of Students. Visit the Office of the Registrar's [Drop and Withdrawal Policies and Procedures webpage](#) and the Office of the Dean of Students [Complete Semester Withdrawal webpage](#) for more details.

Drop and Withdrawal Refund Policy

Students who drop any or all courses by 11:59pm (MST) on the course census date(s) will receive a refund of tuition and refundable fees associated with the course(s). Any course being dropped after its specific census date is considered a course withdrawal (or partial withdrawal). Students who withdraw from any or all courses after the course census date(s) are not eligible for a refund of tuition and refundable fees and will have 'W' notation assigned.

Short Courses: Pre-term (CPT) and Intensive (CDD/CED) courses, also known as short courses, have varying enrollment and financial deadlines that are determined by the number of days/weeks the course meets. There is no refund for courses withdrawn from after the course census date and a 'W' notation will be assigned. Please visit our [Short Course Deadlines webpage](#).

Visit our [Course Deadlines](#), [Short Course Deadlines](#), and [Drop and Withdrawal Policies and Procedures](#) webpages for more information.

Students with extenuating circumstances that caused them to withdraw from a course or multiple courses after census date(s) may submit a Tuition Appeal to the Office of the Registrar. *Questions about the tuition appeal process should always be directed to the [Office of the Registrar](#) and our [tuition appeal resource webpage](#).*

Grade Forgiveness

Starting with the spring 2022 semester, UCCS allows Grade Forgiveness for undergraduate degree-seeking students. Grade forgiveness can only apply to courses taken in the fall 2021 semester and forward. No grades prior to fall 2021 can be forgiven under this policy.

Students must submit a [Grade Forgiveness Form](#) by the census date of the repeated course. If submitted after the census date of the repeated course, students must provide a brief written statement on the form explaining why they were unable to submit the request form by the deadline. Any submission after the deadline is not guaranteed and is only granted to students who have extenuating circumstances.

If students have questions about grade forgiveness eligibility, please refer them to their academic advisor or the Office of the Registrar. You may also visit our [Grade Forgiveness webpage](#) for more information.

Optional Student Enrollments

There are multiple enrollment options that students have the choice to opt-in to, if eligible. Please refer students to the Office of the Registrar if you or a student has specific questions about any of the following enrollment options.

Credit Changes

Students enrolling in a variable credit course will have the option to choose the number of credits they wish to take the course for during the enrollment process in the portal. If they choose the incorrect number of credits and need to change this, they may do so by requesting and completing either a [Add/Drop Course Form](#) or a Credit Change Form with the Office of the Registrar. Deadlines and approvals for changing the credits for a variable credit course are the same as [Add/Drop deadlines](#). It is important for students to work with their instructor, academic department, and academic advisor to be sure they are taking the correct number of credits. Any credit adjustments will be reflected on the student's bill.

Pass/Fail Enrollment

Students who wish to register for a course on a pass/fail basis must do so during regular registration by submitting a [Pass/Fail Grading Option Form](#) through the Office of the Registrar. Pass/fail registration is for undergraduate students only. Graduate students wishing to request pass/fail registration should contact the Graduate School directly at gradinfo@uccs.edu. Eligible courses are courses graded on a letter grading basis. Classes that are graded on a satisfactory/unsatisfactory grading basis are not eligible to be taken under pass/fail enrollment.

Changes to or from a pass/fail basis have varying restrictions depending on the college in which the course is in and the student's major. Most pass/fail requests can be made prior to the course's census date. After census date, these changes must be approved by the academic dean of the college in which the course is in. All Business and College of Public Service courses, regardless of when the form is submitted, require approval by the academic dean of the college. Courses in the College of Letters, Arts & Sciences cannot be changed to or from pass/fail grading basis if the semester has ended. Business majors may not take any business courses as pass/fail.

Students should always refer to their academic advisor and the college and/or department the course is in for additional information regarding the guidelines and limitations of pass/fail enrollment. Only two courses or a maximum of six hours of coursework may be taken as pass/fail during the fall and spring semesters. Only three hours may be taken during the summer semester.

Academic deans and faculty will not be aware of specific student pass/fail registrations. All students who are registered on a pass/fail basis appear on the regular class roster and a normal letter grade is assigned on the final grade roster by the professor. Once grades are posted, students who have been approved for pass/fail will have their grades automatically converted. Grades of C- or higher convert to a grade of P+, grades of D+, D, or D- convert to a grade of P, grades of F remain. F grades will impact a student's GPA.

No Credit Enrollment

Current students wishing to take a course for no credit (also known as an audit) should request and complete a Credit Change Form with the Office of the Registrar after enrolling in the course as normal through their portal. No credit courses are assigned a grade of 'NC', and no academic credit is earned. Tuition and fees for courses taken as No Credit are the same as courses taken for credit. Courses taken as No Credit are also ineligible for financial aid. Deadlines and approvals for changing a No Credit course are the same as [Add/Drop deadlines](#).

Individuals who wish to attend a main campus course and are not currently registered students can contact the [Extended Studies Academic Outreach Office](#) to audit courses on a space available basis. No academic credit is earned.

Intercampus Enrollment

A student may take a course at another CU campus as a guest student when they are unable to take the course at UCCS through intercampus enrollment. Intercampus registrations will only be approved for courses that are required for graduation and are not available at the home campus. UCCS would be considered the student's *home* campus while the campus the UCCS student is 'visiting' would be considered the student's *host* campus. A student who wishes to register at more than one campus as a *non-guest* student must apply, be admitted, and pay tuition and fees to *each* campus for the number of credits being taken at each campus.

To be eligible for intercampus enrollment, students must be enrolled in at least one main campus course at UCCS and classified as a degree-seeking student. Some graduate students in certain programs are exempt from registering at their home campus. Students may enroll for not more than two courses or six semester hours at another CU campus in the fall and spring semesters (whichever is greater). For summer semester students may enroll for not more than three hours at another CU campus. Students may not use intercampus enrollment to take continuing education or Coursera classes.

[Intercampus Enrollment Forms](#) are required to be reviewed, filled out completely, signed by the appropriate signature authority, and submitted to the Office of the Registrar. Undergraduate students must obtain the signature of their *academic advisor*. Graduate students must obtain the signature of the academic dean's office in which the course is under. Completed forms can be submitted in person (Main Hall 108), emailed to registrar@uccs.edu, or faxed to 719-255-3116. The Registrar's office at the student's home campus will manually enroll students in the course at the host campus during the open enrollment period, once all other students at the host campus have had access to enrollment.

Please visit the Office of the Registrar's [Intercampus Enrollment webpage](#) for additional information on the CU intercampus enrollment program.

Grading

*** Please visit our [Faculty Grading webpage](#) for additional details and resources regarding online grading ***

Grading Deadline: Summer 2026 final grade submission deadline is **11:00pm (MST) on Tuesday, August 11**

Grade Roster Availability: Grade rosters for most sessions will be created 10 days prior to the end of the session in which the course is offered. Grade rosters for summer 2026 full semester length courses will be created on **Friday, August 3**. Grade rosters for short courses will be created two business days before the end of the course.

University policy requires that faculty enter their course grades into the online grading system no later than 90 hours after each final exam has ended. Grades for short courses must be entered no later than 90 hours after the final exam has ended or the last day of the course, whichever is first. This does not mean that grading will shut off in the myUCCS portal/faculty center. Instructors are still able to input grades after the 90-hour deadline.

To meet grading deadlines, please ensure that all grade rosters have been 'Posted' by **11:00pm (MST) on Tuesday, August 11**. Beginning **August 3**, grade rosters left in 'Approved' status will be administratively 'Posted' by the Office of the Registrar.

For additional grading instructions, please review our [Online Grading Tutorial](#).

Online Grade Changes: You may submit an online grade change within the Faculty Center of the myUCCS portal after you have submitted a final grade roster. Please use the links below for instructions on submitting an online grade change through the myUCCS portal/faculty center. Also, please be sure to use the instructions that correlate with your academic role on campus. These instructions can also be found on our [Faculty Grading webpage](#).

Please note: Effective October 2023, the online grade change workflow for approvers and deans is now tracked through OnBase. The instructions below have been updated and reflect this new change. Please take time to review the instructions below specific to your role.

Instructors and Proxy Initiators: [Online Grade Change - Instructions for Instructor/Proxy Initiator](#)

Approvers and Deans: [Online Grade Change - Instructions for Deans/Approver](#)

Incomplete Grades: Incomplete grades are up to instructors to assign. It is important for instructors to speak with their department chairs on any academic department policies around incomplete grades. Students must ask their instructor for an incomplete grade before final grades are posted. The incomplete grade is given only when students, for reasons beyond their control, have been unable to complete the course requirements. It is understood that a substantial amount of work must have been satisfactorily completed before approval for such a grade is given. If an instructor decides to grant a request for an incomplete grade, the instructor sets the conditions whereby the coursework will be completed. The coursework must be completed within a year, but the instructor may also set less time than one year for completion at their discretion. The student is expected to complete the

7

requirements within the established deadline. The instructor, with approval of the department, determines if the course should be retaken. If the student must attend course meeting patterns to complete the work, they *must* re-register for the course in an upcoming semester. If a course is retaken, the student will be required to pay the applicable tuition and fees.

If the course requirements are not completed or the course is not repeated within one-year with a passing grade, the 'I' will be converted to an 'F' and recorded on the student record, without notification to the student. Requests for an extension of time to complete the course beyond the one-year deadline cannot be approved. Faculty can submit an online grade change after the grade is converted to a 'F', per academic department policy. A final grade earned by completing the course requirements results in a course notation indicating that the course was originally graded as incomplete. If the incomplete course was successfully retaken with a passing grade within a one-year period, the 'I' grade will be retained on the transcript with a notation that the course was repeated and will not convert to an 'F' grade.

If you have any questions about grading, please contact the [Office of the Registrar](#).
