New graduate students are not required to attend an orientation unless otherwise instructed to do so by the program in which they plan to enroll. Contact the Graduate School at 719-255-3072 or gradinfo@uccs.edu for additional information.

Students on F-1 visas need to check with their international advisors for orientation requirements.

Course Registration

Invitation to Register
An “Invitation to Register” will be emailed to you before your assigned online registration appointment day/time. Once you receive your “invitation,” log into your myUCCS Portal, and select ‘Register for Classes (add/drop)’ in your Student Center. Check the following:

- Check the address on your Invitation to Register: If it is incorrect, please update it through your Student Center under ‘Profile’.
• Make sure you have no financial, academic, or other holds that will prevent your registration (Tasks – Holds in your Student Center).

• Check your assigned enrollment appointment. You may register at or after your assigned time but no later than June 15, 2023, without permission for full semester length classes.

Adding Courses
The deadline to add a full semester length course through myUCCS Portal without permission is June 15. Courses may be added with instructor permission (permission number or add form) through census day, June 19. After this date courses must be added in person at the Office of the Registrar with approval signatures from the instructor and dean. All courses added after the respective course census date will be subject to standard billing processes and associated adjustments. If a student doesn’t register for their first full-semester class(es) until after Census Date, a $50 late registration fee is assessed.

Select Course => Put Course in Shopping Cart => Move Course from Shopping Cart into Schedule

For videos and instructions on course registration, visit: http://www.uccs.edu/registrar/register

Students must complete the pre-registration tasks of confirming or updating all addresses, emergency contact, and agree to your financial responsibility, before you will be able to register.

Courses will remain in the Enrollment Shopping Cart until you complete the enrollment process. Placing courses in the shopping cart does not hold a spot for you.

You are NOT fully enrolled in courses until courses are moved from your Shopping Cart and posted to your class schedule.

Understanding Waitlists
Closed courses may have waitlists. If you try to register for a closed class which has a waitlist, you will need to select the “Class Details” link and check the “Waitlist” box. The message, “Waitlist if class is full,” will display. As openings occur in a waitlisted course, you will automatically be registered in the course. You will receive an email at your uccs.edu email address if you have been enrolled in the class from the waitlist.

It is your responsibility to check your waitlist position and enrollment status in myUCCS Portal. Note: Waitlisted courses WILL appear in Canvas.

If you have waitlisted courses, check your enrollment status in myUCCS Portal frequently. You will be financially responsible for the courses that change from waitlist to registered status.

Waitlists are deleted after the last day to add online has passed. If you are still on a waitlist when the purge occurs, you will be dropped from the waitlist. For full semester length classes, waitlists will be deleted on June 16.

After waitlists are purged you may still add courses with instructor written permission (course add form or permission number) through June 19, after which you will also need the dean’s signature.
Time Conflicts, Credit Overloads, and Requisites
The registration system will not permit you to register for time conflicts, credit overloads, or courses with special restrictions. Contact the Academic Advising office for overloads. Add slips with appropriate signatures of approval are required for time conflicts and course restrictions/requisites.

*Registering in a course without meeting a course requisite is subject to disenrollment from that course.*

Credit Changes
To change credit for variable credit courses you are registered in, complete a Credit Change form at the Office of the Registrar. Deadlines and rules for changing are the same as for DROP/ADD. Students may also use the course ‘Edit’ feature in their myUCCS Portal to edit (increase or decrease) the amount of credits they wish to take for a variable credit course. This functionality is not available after June 19. Applies to full semester length courses.

Exceptions:
After June 19, courses in the College of Letters, Arts & Sciences, the College of Public Service and the College of Business require dean’s approval for credit change.

If you are receiving Veterans’ benefits, you must obtain applicable approval signature.

Short Course Information
Courses that meet less than 16 weeks during the fall and spring terms or 8 weeks during the summer have special refund deadlines. The deadlines for dropping short courses (or withdrawing for the term when only enrolled in a short course) without financial penalty are based upon the length of the course. If you have questions, please contact the Office of the Registrar registrar@uccs.edu or 719-255-3361.

To find course deadlines, log into your myUCCS Portal, locate your classes under “academics” and click on the “deadlines” icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on “My Class Schedule” for each course.

Dropping a Course
The deadline to drop a full semester course without instructor and dean signature is July 12. After this date, signatures from the instructor and dean are required.

*Financial Aid or Veteran benefit recipients are strongly encouraged to verify the impact of the requested course change(s) on their eligibility and funding.*

To find specific course deadlines, log into your MyUCCS Portal, locate your classes under “academics” and click on the “deadlines” icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on “My Class Schedule” for each course. SHORT COURSES (those that do not meet for the entire term such as “intersession” and “intensive” courses) have special academic and financial deadlines. Click “Deadlines” by your classes in the Student Self Service Center to see these deadlines.

**IMPORTANT**
NO REFUND for full semester courses dropped after June 19.
If you are dropping ALL of your courses, the University considers you to be WITHDRAWING. Any student fully withdrawing’ after July 12 must work with Dean of Students office.
Pass/Fail Enrollment
Pass/Fail regulations vary according to the school or college offering the course and the student’s college. Please check with the Academic Advising office for the limits that may exist for taking courses in a given term and/or the maximum which may count toward graduation.

To enroll Pass/Fail, enroll in the course following normal enrollment procedures. Once you are enrolled, complete a Pass/Fail Registration form at the Office of the Registrar. The deadline for pass/fail registrations is June 19.

Exceptions:
With the exception of BUAD 3010, 3020, and 3030, business students need permission of the advising office to take a non-business elective pass/fail.

Graduate level courses in the College of Public Service and Nursing and Health Sciences courses cannot be taken on a pass/fail basis.

Graduate Students should refer to the Graduate School Policies and Procedures regarding pass/fail grading.

No-Credit Enrollment
Students wishing to enroll for no credit must pay regular tuition. To register for no credit, the student should complete a Credit Change form at the Office of the Registrar. Deadlines and rules for changing are the same as for Add/Drop.

Exceptions:
Courses in the College of Business, College of Public Service (graduate level courses) and Beth-El College of Nursing & Health Sciences cannot be taken for no credit. The College of Letters, Arts & Sciences requires the dean's approval after June 19.

Intercampus Enrollment
A student may enroll for not more than 2 courses or 6 semester hours in the fall and spring (whichever is greater) or 3 hours in the summer at another CU campus with the approval of the academic dean. Tuition and fees will be assessed at the student’s home campus rate. Students must be enrolled at the home campus and classified as degree students. Intercampus registrations will only be approved for courses that are required for graduation and are not available at the home campus.

Intercampus Enrollment Forms are available online or in the Office of the Registrar. Course enrollment deadlines follow those at the host campus.

Unless using Intercampus Enrollment, students who register at more than one campus of the University must apply, be admitted and pay tuition and fees to each campus for the number of credits carried at each campus.

Class Schedule Changes
Changes to the class schedule (additions, cancellations, day/time changes, room changes, and instruction mode changes) are updated throughout the registration period. Check your class schedule periodically for changes.

Grade Forgiveness
UCCS allows Grade Forgiveness for undergraduate degree seeking students beginning with the spring 2022 semester. Grade Forgiveness can only apply to courses you have taken in the fall 2021 semester and
forward. No courses prior to fall 2021 can be forgiven. Student and course eligibility, considerations, request form and other important information is available online on the Grade Forgiveness page.

**Enrollment Status**
The definitions for full-time/part-time enrollment are as follows:

- A full-time undergraduate degree student is one who is enrolled for at least 12 credit hours each semester. Undergraduate degree students are considered part time when they are enrolled for fewer than 12 hours. These criteria also apply for unclassified students without a degree.
- A full-time graduate student is one who is enrolled for 5 semester hours of graduate level course work, or at least 8 semester hours in a combination of graduate and undergraduate course work acceptable for graduate credit, or any number of thesis/dissertation hours.
- Unclassified students with a degree-seeking student loan deferment must be enrolled for 12 semester hours to be considered full-time.

**Tuition and Fees/Student Bills**
To avoid costly mistakes and unnecessary late and service charges, carefully review this section of the schedule. If you register on or before June 4, 2023, your tuition and fee bill will be available online on June 5, 2023. If you register after June 4, 2023, your account balance will be available on the Student Self Service Center after you register. Estimate your tuition and fees at: [https://bursar.uccs.edu/estimate-your-bill](https://bursar.uccs.edu/estimate-your-bill). Students who register on or before June 19, 2023, must pay your tuition and fees in full by June 19, 2023 or have enrolled in a payment plan by June 19, 2023.
