1 Select the 'FERPA Consent to Release' tab. Ignore other tabs.

2 Students may have granted their consent to multiple third parties. Scroll through to find additional third parties.

5 **IMPORTANT:** Review 'Record Definitions' below!

3 The third party information the student has given consent to will be listed here. Person or organization must know the unique password student has provided.

4 These boxes indicate the type of records the student wishes to share with the third party.

6 These rows of data show an audit trail of changes the student has made to the FERPA Consent to Release for this particular third party. **IMPORTANT:** Ignore all other rows here except for the first row of data. The first row is the most current release information the student has provided to UCCS. Previous audit rows should not be shared with third parties. It is not the third party's right to know when and what access the student has given, changed or revoked.
